UPDATE - LCL Export Libya Advanced Cargo Information (ACI)

Dear valued customer,

we refer to our newsletter dated 18 October 2024 and would like to inform you today that the Libyan Customs Authority suspended the implementation of the Advanced Cargo Information (ACI) system for an undetermined period.

Consequently, ACI registration is currently not mandatory for each shipment. Pilot phase continues to ensure the readiness of all parties.

We will keep you updated.

For further information or questions please contact the ACI technical support team via email: helpdesk@acilibya.ly or your local SACO Shipping Team.
