LCL Export Cameroon Electronic Cargo Tracking Note (ECTN)

Dear valued customer,

please be informed that shipments consolidated in groupage containers no longer can be covered by an ECTN document per container. As from BL date December 01st 2024, it will be necessary to have an ECTN for each individual shipment.

The ECTN creation can be arranged by SACO Shipping, details can be found in our tariff.

The following documents will be needed:

- BL instruction
- Commercial Invoice
- Separate freight Invoice if the freight amount is not mentioned on the commercial invoice
- NIF (Numero d'Identification Fiscale = Tax ID)
- PR number (Transaction number)

For further information, please refer to the link below [ECTN for groupage freight soon to be prohibited](#) or get in contact with your local SACO Shipping Team.
