Approved Place of Presentation in Bremen Ends on 01 January 2026

The approved place of presentation at PCG Bremen, as well as all other packing centers in Bremen, will end on **01 January 2026**.

Starting **29 December 2025**, all Z-number processing for our operations and those of our customers must be carried out via the Hamburg packing center **PCH4**.

This also applies in cases where cargo is delivered in Bremen. **Deliveries to Bremen will continue to be possible as usual.**

Please take this change into account in your operational planning and inform all relevant parties accordingly.

Due to the system change, the processing of the Z-numbers now involves additional effort. Therefore, a fee will be charged in accordance with our valid tariff.

For any further questions, please contact your local SACO team.
