Export LCL Jebel Ali (UAE) Dangerous Goods Shipments

Dear valued customers,

We are pleased to inform you that we once again accept dangerous goods to Jebel Ali / Dubai. For the time being, this is limited to Classes 3, 8 and 9, as well as dangerous goods in Limited Quantities (LQ).

Please note that acceptance of dangerous goods is subject to the carrier's final approval. Due to the extensive review process, such acceptance cannot be guaranteed in advance.

For the time being, dangerous goods will be subject to the following conditions:

- Booking closing: 3 weeks prior to vessel departure
- A correctly completed DGD and a valid MSDS must be available at the time of booking.
- B/L submission and cargo delivery: 5 working days prior to regular cut off as per SACO sailing schedule.
- Loading must be ensured, cancellations may lead to cancellation fees.

Our Middle East teams in Hamburg and Bremen look forward to receiving your inquiries.
