## New FCL Quotation Tool

Dear valued customer,

Your FCL rates are now available in MY SACO, around the clock and without additional credentials. The quotation shows current rates and additional and national precarriages available in the same view.

### Your benefits:

- Accessible 24/7
- Current rates and additional
- National precarriages retrievable in the same quotation
- Integrated into MY SACO, no additional credentials needed

### How it works:

1. Log onto SACO with your credentials.
2. You will find the column EXPORT FCL QUOTATION within MY SACO.

### Your contact:
