Export LCL – Customs Clearance Bremerhaven

Dear valued Customer,

while an export shipment via the Port of Hamburg requires a Z/B/S- number to obtain export customs clearance, shipments via Bremerhaven port require a BHT reference (BHT = Bremer Hafentelematik).

For those LCL services via Bremerhaven, SACO is reviewing the export customs documents, arranging the registration with BHT, the creation and closure of T1 transit documents if required and the verification of approval for you.

Effective January, 1st, 2027 we will charge the following fee for our services:

Customs Clearance BHT: EUR 5,00 per shipment.

Please contact your local SACO Shipping office for further information.
