November 2016

From Hamburg and Bremen to Tunis in 6 days

For all forwarders looking for an alternative to airfreight, SACO Shipping will be offering a new combined truck, rail and ferry service to Tunisia starting November 9th, 2016.

This new service will avoid the actual congestion in the port of Rades /Tunis and will drastically reduce the transit time to 6 days only.

Key dates:

Gate-in Bremen cut off:	Monday
Gate-in Hamburg cut off:	Tuesday
ETD Hamburg:	Wednesday
ETA Tunis:	Tuesday
Transit time:	6 days

Key benefits:

- Unbeatable transit time: 6 days
- Shipments according to SACO B/L and terms and conditions
- Direct service to Tunis – no repacking required
- No delays in Radès harbour
- Dimensions of up to 13.6 m length, 2.48 m width and 3.0 m height upon request
- Pre-carriages from other European countries can be arranged
- Strict neutrality is guaranteed
- Modern equipment, GPS locating and much more ...
